

Dianella – at a glance

Dianella Health is a major medical and allied health service provider in Melbourne's north. We offer multi-faceted, whole-of-community healthcare services in locations across the northern region.

Dianella GP Super Clinic

The Dianella GP Super Clinic in Broadmeadows is a purpose-built facility with medical practice (GPs, pediatricians, nursing), allied health services (podiatry, physiotherapy, diabetes nurse education, health coaching, dietetics and cardiac rehabilitation), radiology, pathology and dental.

Cultural Diversity

As part of a multicultural community, Dianella has an increased number of bilingual staff. Its interpreting services support clients, clinicians and medical practitioners. Dianella also provides services to meet the specific needs of Aboriginal and Torres Strait Islander groups.

Key Statistics

- Dianella provides services to more than 66,000 patients annually
- Our main areas of service include:
 - Medical (over 10,800 patients)
 - Allied Health Services (over 46,600 patients)
 - Dental (over 9,000 patients)
- We employ more than 230 staff members
- Our services are tailored to meet the demands of a growing and diverse population, including CALD (Culturally and Linguistically Diverse) and Aboriginal and Torres Strait Islander communities
- Dianella's service to refugees and asylum seekers include interpreters, comprehensive health checks and social workers
- To ensure the greatest accessibility, our interpreter services are provided in Arabic, Assyrian, Chaldean, Turkish, Persian (Farsi) and Nepalese
- Dianella has partnerships with associated service providers for pathology and radiology. Other important health sector links include the Royal Children's Hospital, City of Hume, Department of Health, Dental Health Services Victoria and the North West Melbourne Primary Health Network to name a few

Funding

In 2016 Dianella had an annual turnover of \$20 million. We work in partnership with other agencies receiving funding from the Federal Government, Department of Health, Department of Human Services, Dental Health Services Victoria and the Department of Education and Early Childhood Development.
